John F. Canavan

Superintendent of Schools
1970-1990

On October 31, 1990, John F. Canavan, our school district superintendent, retired leaving 38 years of service to public education and young people, but gaining the respect and love that comes from being a true leader.

Looking back to the year 1970 we would find that the Dudley-Charlton Regional School District was in its infancy, just having been formed by joining the school systems of the two towns. Overcrowding, double-sessions, inadequate facilities and tuitioning of students to other town's schools were some of the conditions that paved the way for the new region. One of the newly formed Dudley-Charlton Regional School Committee's early tasks was to select an educational leader for the District . . . a school superintendent to plan and develop the new school system.

John F. Canavan, having administrative experience in both Massachusetts and Connecticut and then serving as principal of Tantasqua Regional in Sturbridge, was chosen by the school committee to serve as the new region's first superintendent who would lead and serve the district for the next twenty years.

Under his direction and untiring effort, our Regional School District has become what it is today, strong and unfaltering. Mr. Canavan has become a model for educators and has touched many lives during his years of service to public education.

Mr. Albert Thibaudeau, principal of our school, expressed his feelings that John F. Canavan had become, "the man at the helm" who steered us through rough waters and united our district through hard work, careful planning, and much vision.

We extend our thoughts and words of gratitude to Mr. Canavan upon the occasion of his retirement, for all that he has done for our school and community. We have the confidence that our future leaders will be able to preserve the *Pride and Unity* of our school and the school district that Mr. Canavan worked so hard to bring about.

National Honor Society

The Academic National Honor Society is made up of those students in the eleventh and twelfth grades who, having been chosen by the faculty because of their excellent grades, activities and conduct, are inducted during a formal service in the end of their sophmore year (at the earliest) and junior and senior years (at the latest).

The National Honor Society holds such events as "The Thanksgiving Day Drive" and "Toys for Tots" to raise money for less fortunate families besides giving money for senior scholarships and an annual telethon for the Heart Association. One of the Society's main functions is to elect a "Junior High Student of the Week", which involves both the corporation of teachers and the organization of the students. These willing students contribute a great deal to both our school and our community and should be respected for their efforts.

The students of the Senior Student Council, having been nominated and elected to their offices at the end of each school year, are very dedicated to helping both their school and their community. Under the direction of Mr. Greenwood, their advisor and close friend, they eagerly reach out to lend a helping hand where ever it is needed.

They not only run the concession stand during all home football games, hold an annual blood drive and variety show but also contribute much of their proceedings to the N.H.S. Thanksgiving Drive, Toys for Tots and senior scholarships.

Mr. Greenwood and the Senior Student Council dedicate much of their time and generosity to hold those extra events that are both helpful and enjoyable and for this they should be warmly thanked.

The Junior Student Council is one of the first groups that allows young seventh and eighth graders, coming to Shepherd Hill, to become actively involved in their school and experience what it's like to be a leader.

The students of the Council, after being elected in the beginning of each year by their fellow classmates, get the chance to arrange such events as J.H. dances and ice skating trips for the Junior High. They also serve as guides in early June for the visiting sixth graders and during Shepherd Hill open houses.

Mr. Patenaude, their advisor, gives up much of his time to help the eager council members in their plans and should be recognized for not only having served as an advisor but as a friend and guide who helped to put them on the path to becoming young adults.

Audio Visual Club

The A.V. club assists in the distribution of audio-visual equipment. Often they can be found bringing TV's and VCR's to classrooms. They also help to make small repairs when needed on various other technical appliances. They volunteer for this during their own study time, and are of great help. Thank you for all you do.

First Row L to R: Mrs. Mott, Rosann Bubsar, Karin Lemon, Steven Faubert, Kerry Hammonds, Mrs. Faille. Second Row L to R: Lola King, Franki Taylor, Stephen Harris, Michael Donald, Gene Guinard.

Most people do not realize the extra effort and time that these students dedicate to our school, making the library neat, clean and easily accessible by checking out, rearranging books and doing all types of assorted jobs. It is their voluntary service that gives our librarians time to help students and relax from the hustle and bustle of a regular school day.

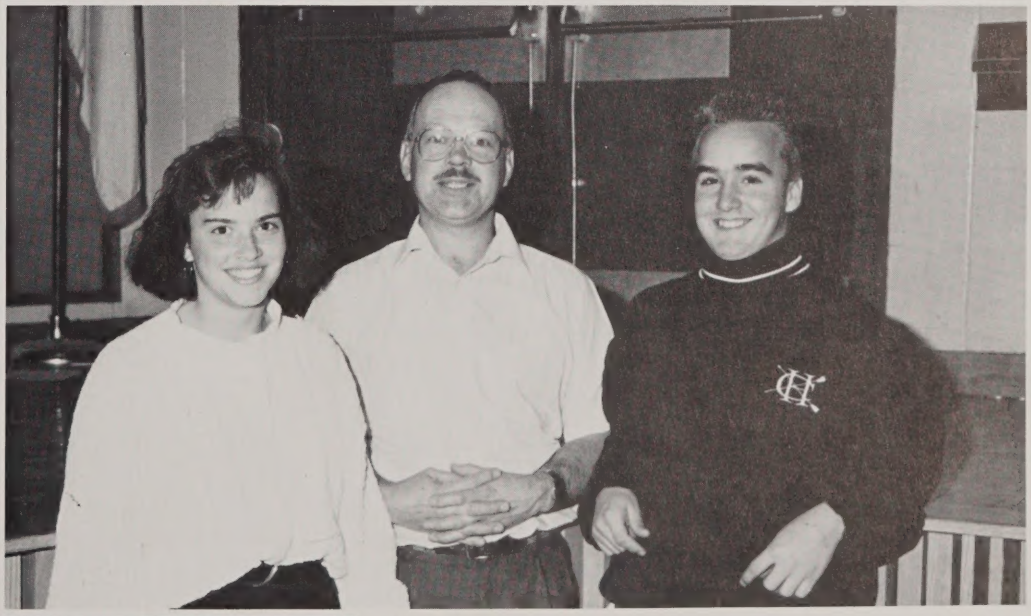
The anthology staff is a group of students who write, arrange and edit stories and poems for this annual literary magazine. Any student many contribute stories and/or poems. Monetary prizes (first, second and third) are awarded to the best in each category.

Mrs. Seiweck, the advisor, spends much of her time arranging the magazine and helping the staff. Mrs. Seiweck should be recognized for her persistent efforts, along with Rams Horn which prints the magazines needed.

Athletic Training

Mr. Sendrowski has been the athletic trainer since the school opened in 1973. This is the first year he's ever had two student apprentices and next year his goal is to sit back and watch Robbie and Kristen do all the work. Each even day these two meet period 5 to read up on and practice tapping and wrapping injuries. They attend all football games and they are to be commended for their dedication. When asked about their training, Kriten said, "Mr. Sendrowski has been really understanding of our faults." Robbie replied, "We've learned a lot this year."



Left to Right: Kristen Kittredge, Mr. Sendrowski, Robbie Barton.

Foreign Language

The Foreign Language Club attempts to increase the students' cultural awareness by sponsoring a trip to a foreign country. This trip gives the students an opportunity to practice the language that they have been studying in the classroom, to taste the foreign food, to manage foreign currency, to see the most important sights of the country and to experience life in a country other than their own. This years group will be visiting Mexico during the April school vacation. During the ten day trip the students will tour Mexico City, Merida, the Pyramids at Teoutihucan and many other places. The group sponsers several fundraisers during the year to help pay for various activities and excursions while in the foreign country.

Foreign Exchange Students

Chris Russell, Elsa Hanguart

Earlier this year we asked Elsa, from Belgium, a couple of questions about her stay in the States. She believes that America is a new experience for her. "This experience will broaden my horizons and teach me a lot." She loves dancing, big cities and parties, as she put it: "the more fools the more fun." All in all she seems to have found many friends and sums up her feelings about America with the words: "America is something huge, proud, grandiose, crazy and fun."

Chris first came to America with the Symphony Orchestra from Dudley, England. He returned in August of '90' and is staying with the Canty's. When asked about what he liked best about the U.S. he quickly replied: "the girls and my American family." Here at Shepherd Hill, he is a member of the marching band, chorus and Show Choir. After graduation he hopes to attend college and eventually become a U.S. citizen.

Also from England and is Jagrih Aucarya (not pictured) who has both a brother and a sister attending Shepherd Hill. When asked how she likes it here she replied: "It's O.K., I suppose, but it takes a lot of getting used to." She also told us that the people are relatively friendly especially when they hear her English accent, and that: "the amount of junk food available is brilliant." Last of all she mentioned that even though it's very hard to get used to she thinks of America as her second home and so as she says: "that's O.K.".

Peer Helpers

In the beginning of their sophmore year those students who have signed up to become peer counselors start a long and tiring training process so that they can learn how to deal with and tutor students who need their help. This teaching process, led by Ms. Majorie Nieman and Mr. George Proulx, is long and hard but when asked, Ms. Nieman replied: "I love these kids, it's a pleasure to watch them be able to help others."

Peer counselors volunteer much of their free time in both study halls and after school to help students in need and recently this year, rm. 324 was opened up as the official peer counseling room to make it easier for both student and tutor to meet. Peer counselors also participate in a trip to the Charlton and Dudley Intermediate schools to talk to the future seventh grade students, encouraging them about answering many of their questions about high school life.

S.A.D.D.

Students against driving drunk is exactly that: an organization made up of students to alert classmates and local communities about the dangers of drinking and driving. Throughout the school year, S.A.D.D. sponsors many activites in hopes of preventing needless deaths that occur every year. The activities include a limo-raffle for the prom, a wrecked car display before graduation and various assemblies. In December, they attend the Candle Light Vigil sponsored by M.A.D.D. This is a very touching ceremony where participants light candles in rememberance of those who were killed in alcohol-related accidents as their names are announced.

S.A.D.D. encourages you to sign a 'Contract for Life' with your parents or friends. Choose a designated driver whenever you go out. This will guarantee that you will arrive home safely and most importantly - ALIVE.

Yearbook

This year's yearbook took many long and tedious hours on the part of the few students who stayed on the staff. Besides this, Ms. Barbara Shilinsky, our new yearbook advisor and Computer Science teacher, was willing to volunteer her time when no one else could. She stood behind us and cleared the way for us to make a great book. For this we owe her much thanks and gratitude for she volunteered her own valuable time to help bring together the book which we all keep as a memory and token for years to come.

The few seniors on the staff including the four editors had to work very hard to bring this book together and we are very grateful to those who typed, hunted people down and did the many jobs that we were unable to. Thank you and mostly Ms. Barbara Shilinsky for making this book a success.

Debate Club

The Debate Club, under the direction of Mr. Chaplain, meets on Tuesdays from 2:20-3:30 in rm. 213. During the time several debates are scheduled concerning both national and internal problems. The students who join like to debate and become swept up in their assignments. Hopefully, the club will soon be able to debate against other schools, right now they are collecting funds to do so. This club is a great success and Mr. Chaplain should be recognized for his persistent efforts. The incentive of the students is incredible and new members are always welcome.

Math Team

Varsity:

Mariah Betters, Lisa Bohenico, Cindy Bussiere, Sonya Chauvin, Christina Delage, Lanette Grovesteen, Randy Grzych, Carolyn Macuga, Elaine Mongeon, Jen Peepas, Scott Trahan, Sean Vasas.

Both the Senior and Freshmen Math Teams are made up of those students who are good in math and who like to compete against other students, testing their abilities. These students, under the direction of Ms. Shilinsky (who heads both Sr. and Fresh. teams), compete against other schools in our area by doing several difficult math problems. They seem to have a lot of fun by not only winning but by learning also. New members are always welcome.

The 1990-1991 Marching Band recently completed a very successful fall season. It started in August with an intense four day camp where the members learned the new show, and ended with a gold medal at the State Finals held at Boston University. Under the direction of their director, Greg Stewart, drum major Adrienne Gauthier, and with many long hours of rehearsal, the band marched it's way to the top. They are currently rated the best Division III band in the state.

In addition to competitions, the band also performs at various community events. These include Christmas, St. Patrick's Day, Baseball, Memorial Day and Flag Day Parades held in the area.

The Shepherd Hill Winter Percussion Group promises to have another outstanding year. Last year at the finals in March, they received the highest score ever given to any group in New England. This year, their show guarantees to be even better, with practices held every Tuesday and Thursday.

In May, the Stage Band and Winter Percussion Group will accompany the Marching Band to Virginia Beach, where they will compete against some of the finest bands in the country. Their hard work and dedication will bring them much success as they represent the Pride and Unity of Shepherd Hill.

The Great England Exchange

Above: The Dudley USA combined chorus and the Dudley UK orchestra in concert.

On July 20, 1989, the Dudley School's Symphony Orchestra (DSSO) arrived at Shepherd Hill from Dudley, England. During the short week they stayed here, new friendships were formed and the students we hosted became parts of our families. Their departure brought tears and sadness, but we knew it wasn't good-bye forever.

Almost a year later, on July 17, 1990, 150 students and chaperons from Shepherd Hill arrived at the Dudley Music Center in the Metropolitan Bureau of Dudley, England.

Our active itinerary included visits to Warwick Castle, Shakespeare's Birthplace of Stratford-Upon-Avon, Chester, London, Dudley Castle, Birmingham Cathedral, the Black Country Museum, and Alton Towers.

The chorus and Show Choir performed at many of these places, but the best show was at the Dudley, England Town Hall with the DSSO.

After only 11 days, we had experienced first hand the English customs and way of life. It was very difficult to have to say good-bye to our "families" and friends. The tears couldn't be helped, but neither could the smiles. Dudley, U.K. had become our home and the DSSO had become a part of us. We renewed old friendships and started new ones. We made second-families and called our hosts "Mom and Dad". We created an international bond that can never be duplicated . . . can never be broken.

Hopefully, the "Great Exchange" will continue and we are all looking forward to hosting the DSSO, and returning to Dudley, in the future. Nevertheless, the memories of this, our first trip, will live forever, not only in our minds, but in our hearts as well.

"Friends are friends forever, if the Lord's the Lord of them. And a friend will not say 'never', cause the welcome will not end. Though it's hard to let you go, in the Father's Hands we know, that a lifetime's not too long to live as friends." (Friends, Michael W. Smith. 1982 Meadowgreen Music Co.)

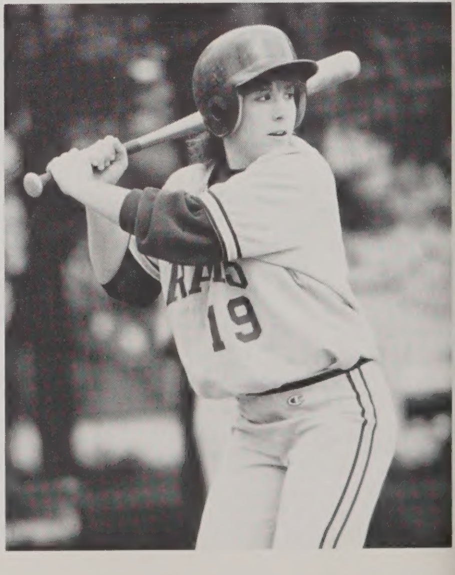
The 1990 Varsity Softball Team led by captains: Lisa Piniarski and Lisa Gajewski had another excellent season attaining a final regular season score of 15-2 (with District competition: 16-3), making their 13th consecutive winning season. The girls were Border Conference Champions with an 11-1 record and qualified for District Competition, winning one game against Burncoat 1-0 and losing the other to Fitchburg 3-1 in the Semi-Finals. Besides these well-earned achievements, four of the girls were selected as Border Conference All-Stars including: Lisa Piniarski, Lisa Gajewski, Tara Nawrocki and Shelley Hultgren.

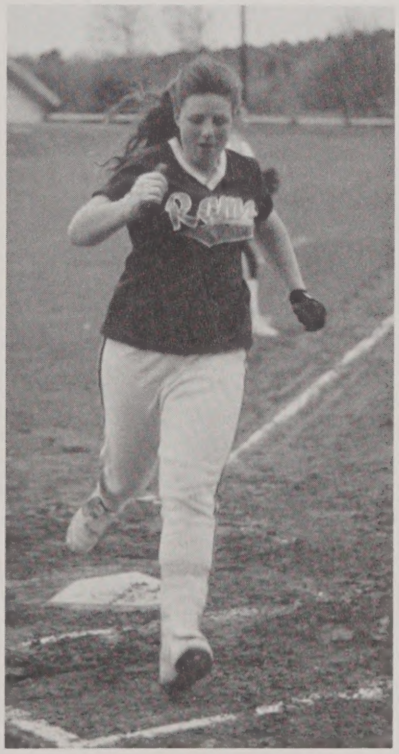
Shelley Hultgren was also honored in becoming the first girl from Shepherd Hill to be selected as a Telegram & Gazette All-Star. The team had an excellent season and should be congratulated. Good luck in '91' Rams.

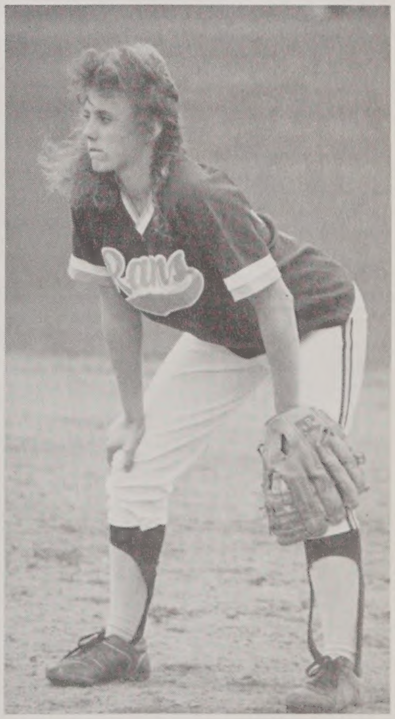


Junior Varsity Softball

This young team had their first taste of victory last spring. They had an excellent season ending with an outstanding record of 10-3 and 6-2 as the Border Conference Record. These young players showed much determination and spirit which will lead them to many future victories. Great job! Good Luck in '91'.

UNIVERSITY





Golf Team

Last year's golf team, led by Mr. Szymczak (coach) and Scott Aucoin (captain) acheived the highest rank in Shepherd Hill Golf History by not only gaining the Border Conference Title and capturing the District E Division 2 position, but by ranking seventh best in the state!

When asked what his most memorable moment was during last year's season, Billy Borowski (currently a senior) simply stated in four words: "That we won Districts." The team came out with a dazzling 14 win - 1 loss record, which proves that they have come quite a long way from the Golf Team's first beginnings in 1988. With their great spirit and effort they have well earned their long sought after title. Good luck in '91'.

The members of last year's team were: Scott Anderson, Scott Aucoin (captain), David Bernier, Bill Borowski, Joseph Dowling, Matthew Duteau, Jamie Duquet, Cory Geanis and Randy Grzelecki. Due to the lack of pictures the yearbook staff is sorry to say that we do not have a picture of last year's Golf Team. We apology to all of the members.

Tennis

After three consecutive Border Conference Championship seasons, the 1990 Boy's Tennis team survived a transition year with a very respectable 6-9 record.

The Rams were led by our Border Conference All Stars: Ricky Polletta (6-9) at number one singles and the first doubles team of D. Mahendron/J. Bennett. The frosh contigent (J. Niemic, C. Binder, M. Bennet, P. Beck, M. Howard, N. Brinker, T. DeSantos, and B. Constantine) displayed much grit against older and more seasoned opponents. However, considering that six of the nine losses were 3-2, the Rams will be heavy favorites to rule the conference in 1991.

The Girls' Tennis Team had an excellent year, coming out with a score of 9-7 for the regular season and 8-2 for the Border Conference Record. Mrs. Jenson (who is now residing in Florida) did a great job teaching these young students how to win with grace and much of their success is due to her persistent efforts. Amie Pariseau (currently a freshmen) expressed the feelings of the entire team when she said, "We greatly miss Miss Jenson . . . and thank her for her efforts and support as our coach." Good Luck in '91' Rams!

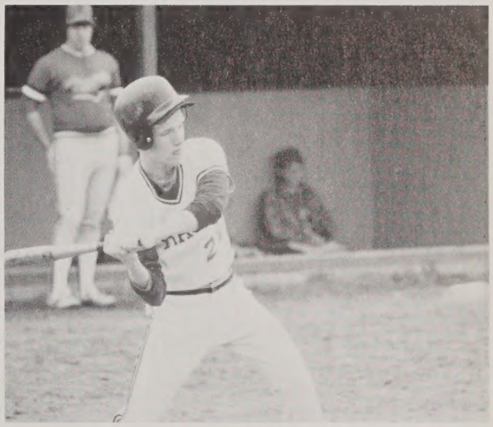
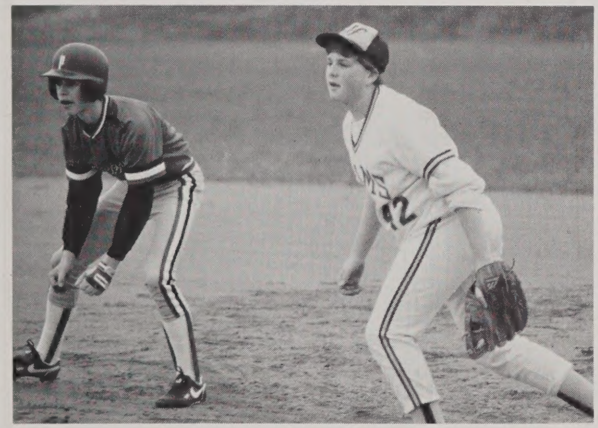
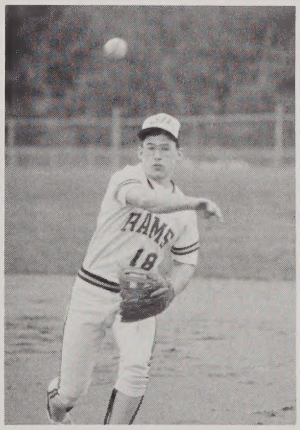
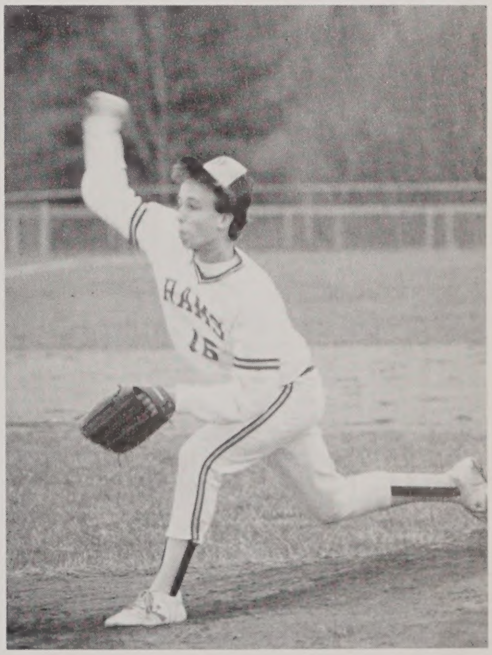
The 1990 Varsity Baseball Team led by Coach Bernier and captains: Dicky Bergin and Joe Szela, had a very close season. Their final record for the year was 7-9 and 7-5 for the Border Conference Record. The team was well-organized and hard working and hopefully next year with so many seniors as emerging prospects they will have an excellent season. Good Luck Rams!









Varsity Football

It was a tough season for our young team of two seniors, eight juniors, and nineteen sophomores. Due to their youth and inexperience Mr. Hickman had to work very diligently to try to bring them together into a working team. However, this season was useful in that it has prepared the boys by giving them a taste of work and defeat for next year. We wish them luck and much success. With the help of Mr. Hickman, their hard-working coach, and their own personal incentive, we know they'll be great!

Boy's Cross Country

The boys cross country team went through a rebuilding year and finished the season with a 2-13 record. Top runner for the Rams was Senior co-captain and M.V.P. Jamie Bazinet. Junior co-captain Tim Nelson was sidelined for much of the season with an injury. Emerging prospects for this young team include Joey Belanger, Nate Brinker, Pete Beck, Darrin Dighton, and George Walker. Senoir Roman Puchovsky also participated at the District meet. With so many young runners the Rams should be much stronger next year.

Co-Captains: Jamie Baziner and Tim Nelson, Roman Puchousky, John Larson, Mike Butler, Jason Harrison, Nathan Brinker, Pete Beck, Joey Belanger, Darrin Dighton, Gregory Walker, Jason Guyotte.

This outstanding team led by captains, Melanie Jankowski and Michelle Paradise, had an extremely successful season, winning the Boarder Conference Championship for the third year in a row and maintaining a perfect 6-0 record for two straight years.

The team also placed seven girls, a record number, on the Border Conference All-Star Team. The team included Tara Nawrocki, Tara Meagher, Kelly Parent, Elaine Mongeon, Melanie Jankowski, Amber Messina and Michelle Paradise.

Due to the close friendship and untiring work the girls have succeeded in making us all very proud! Congratulations are also extended to Melanie Jankowski who graduates as the all time girls soccer scoring leader with 50 goals and 27 assists. GREAT WORK GIRLS!!

Boy's Varsity Basketball

The Boys Varsity Basketball team led by co-captains Bob Shilale and Brian Sullivan had a fairly good year and as their coach, Mr. Geanis stated, "Their success can be measured in their attitude, intensity, and willingness to sacrifice for particular goals." The team's most valuable players this year included the four seniors on the team; the two co-captains, Michael Savage and Chad Parent. The young men on the team work very diligently which seems to be reflected in their games, and the roaring cheers from the bleachers.

The Shepherd Hill Gymnastics Team is lead by captains; Darcy Langevin, Melissa Millette and Tara Lamontagne and coaches; Kathy Berg and Kerri Ravenelle, The Gymnastics team is a group of young students who not only practices hard but who also what is most important in their competion. The team competes annually during the winter season. Few schools have gymnastics as a high School sport and the schools that do have it are club-gymnastics. Club gymnastics compete and take gymnastics all year round at private gyms, so it is difficult to win meets against these club gymnastic teams. The gymnastic team at Shepherd Hill does gymnastics for fun, not to win. We think of the meets as an opportunity to make new friends. This year the team had 5 difficult meets which they should be congratulated for. We wish them the best of luck in the future. With the attitude Tara expressed the team is sure to succeed in '92.

GOOD LUCK!

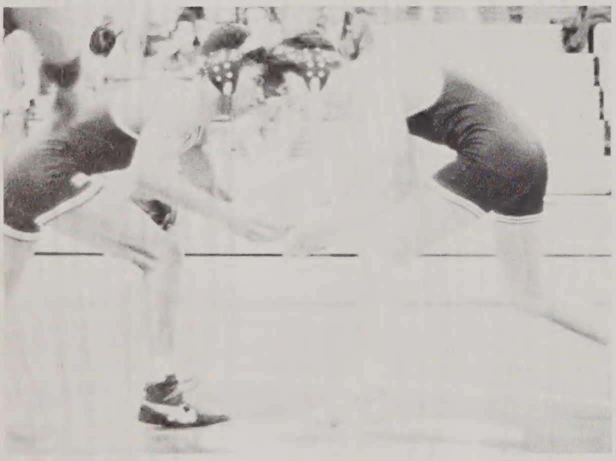
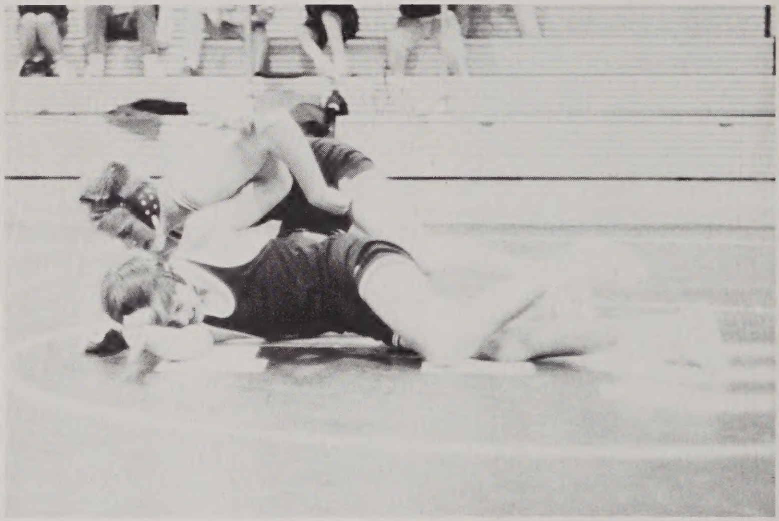
These young and vivacious men are usually found every day after school, either in the weight room or on the gym side of the cafeteria, practicing on maroon mats under the watchful eye of Coach Boyd. To any passerby they might seem to be performing an odd sort of dance which not only makes them more agile, but builds up their strength. Their weights fall between the range of 103 to over 189 pounds, which leaves much room for variation. The team practices very hard and have the class to wear neckties before every meet.

This year's team led by captains Russell Jennings and Scott Lawrence, had what one might call an off year, but from what it looks like their time and effort should soon pay off. The wrestling team had 10 matches and 2 tournaments this year.





Indoor Track

The newly formed girls winter track team had a successful season, finishing with a 2-2 record in the Central Mass Suburban League. New individual school records were set by Katie Paradise, 26-8 ½ in the shot-put, Amy Yurick, 1:43.2 in the 600 yard dash, and Beth Koslowski set four new records, 4-4 in the high jump, 6.2 seconds inth 45 yard dash, 6.6 seconds in the 50 yard dash and 44.0 seconds in the 300 yard dash. Beth also qualified for and competed at the state meet held at Boston University in the 60 yard dash. Finally, the mile relay team of Kelly Paradise, Amy Yurick, Sandi Lachapelle and Melissa Sepos set a new relay record of 5:06.

In Memory Of

Terry Lee Cyganiewicz
1971-1990

Time stands still for you, our friend,
Needing not to move at all.
It swept you left us to answer the call.

You took along your laugh,
You took along your smile.
They will comfort you in time of need
As you traverse o'er the miles.

When you started on your journey.
A vacancy was made.
But in that place an image formed,
An image that will not fade.

Because memories are more than thoughts,
We have you with us always.
You hold a special place in our hearts.
Making special all the days,

Your journey is not yet over.
There are many more miles to do.
But friend, time stands still for you.
